

2s & 3s SUNDAY SCHOOL PRODUCTS

Planting Faith for 2s and 3s teaches Biblical truths concerning God, God's Son, God's Word, and God's creation. Students learn that God is their creator and that He loves and helps them. They begin to understand what sin is and that Jesus came to earth as a baby and then grew up and died for them. This two-year curriculum prepares 2s and 3s to understand the gospel.
