

MIDDLER SUNDAY SCHOOL PRODUCTS

Truth Travelers for Middlers is a two-year through-the-Bible curriculum. Middler students travel through God's Word, starting with the account of creation in the first quarter and ending with God's plan for the future in the eighth quarter. The middler curriculum puts the Biblical pieces together for the students and helps them understand God's overall plan for redemption. As students move through the curriculum, they develop a deeper trust in God and have the opportunity to respond to Him in personal, practical ways.
