

Long Before

Long before He came to earth,
(Point up; then down toward the ground.)

Jesus ruled in Heaven above.
(Raise both hands above head; spread arms wide.)

Long before His holy birth,
(Rock baby.)

Jesus made the earth with love.
(Make circle of "earth" with index fingers.)

Long before Mary held Him tight,
(Rock baby.)

Jesus sat on Heaven's throne.
(Pretend to sit.)

Long before He brought us light,
(Burst hands open; spread arms apart.)

Jesus lived in God's Heav'nly home.
(Point up and nod yes.)
