INSERT NO. 2

Distribute on May 31, 2020. It is the fourteenth Sunday. There will be no other take-home leaflet.

Instructions: Mount the game on lightweight poster board. For more durability, laminate with clear Con-Tact paper. Cut apart the crowns on the solid lines. You will have 32 playing pieces.

To Play the Game: Mix up the crown sets and turn all the pieces upside down in a pile. Each player in turn may draw two cards. If his two crown cards match, he keeps the cards. Read Timber's instructions for a match. If there is no match, the player keeps one card and returns the other one face down to the bottom of the pile. Play passes to the next player, who also draws two cards. He follows the same procedure. Continue playing until all the cards are removed. The player with the most matched sets wins. Read Timber's instructions for matched sets.

EACH TIME
YOU GET A MATCHED
CROWN, TELL ABOUT
SOMETHING THAT
HAPPENED IN THE
ROYAL KINGDOM OF
DANIEL AND QUEEN
ESTHER.

Alternate Game: Mix the cards as above and lay them out in four rows of eight cards. The first player turns over any two cards. If they are a match, he keeps them. If not, he turns the cards back over and play passes to the next person. When all the cards are matched, the player with the most matches wins. Read Timber's instructions for matched cards.
